

Substitute Openings Now Available at Washtenaw Intermediate School District

Looking for a flexible work schedule and a chance to make a difference? Washtenaw Intermediate School District (WISD) has numerous short and long term openings for Teacher and Teacher Assistant Substitute positions.

Benefits of being a substitute:

- **Making a difference**

You can play a key role in student success. Because of your involvement, student learning can continue to take place.

- **Variety**

No two days are the same! As a substitute, you will meet new people and a variety of students at different grade levels.

- **Flexible scheduling**

YOU chose the hours and work days!

- **Career opportunities**

Forming a good relationship with a district may lead to a regular position with WISD.

You can be a Substitute Teacher at Washtenaw Intermediate School District if you:
